DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal or mediation (for example mediation under the Law Society Mediation Guidelines).

AUCTIONS

Regulations made under the Property Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNING SWIMMING POOLS

An owner of property on which a swimming pool is situated must ensure that the pool complies with the requirements of the *Swimming Pools Act 1992*. Penalties apply. Before purchasing a property on which a swimming pool is situated, a purchaser is strongly advised to ensure that the swimming pool complies with the requirements of that Act.

WARNING SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

For example, as purchaser you should be satisfied that finance will be available at the time of completing the purchase (even if settlement might occur many months after signing this contract – in particular, if you are buying off the plan).

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, **EXCEPT** in the circumstances listed in paragraph 3.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act; or
 - (b) if the property is sold by public auction; or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in; or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

WARNING SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the Environmental Planning and Assessment Act 1979. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

For example, as purchaser you should be satisfied that finance will be available at the time of completing the purchase (even if settlement might occur many months after signing this contract - in particular, if you are buying off the plan).

1. This is the statement required by section 66X of the Conveyancing Act 1919 and applies to a contract for the sale of residential property.
2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, EXCEPT in the circumstances listed in paragraph 3.
3. There is NO COOLING OFF PERIOD:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act; or
 - (b) if the property is sold by public auction; or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in; or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
- 2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit only by unconditionally giving cash (up to \$2,000) or a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.
- 2.5 If any of the deposit is not paid on time or a *cheque* for any of the deposit is not honoured on presentation, the vendor can *terminate*. This right to *terminate* is lost as soon as the deposit is paid in full.
- 2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 and 3 do not apply.
- 2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 and 3 apply only to the balance.
- 2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
- 2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, credit union or permanent building society, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Payment of vendor duty out of the deposit

- 3.1 This clause applies only if this contract says the deposit can be used to pay vendor duty.
- 3.2 If the amount held by the *depositholder* (disregarding the value of any bond or guarantee) exceeds the amount of *vendor duty*, the *parties* direct the *depositholder* to release the amount of *vendor duty* on the following terms -
- 3.2.1 the *depositholder* is to draw a *cheque* ("the vendor duty cheque") in favour of the Office of State Revenue and in a form acceptable to the Office of State Revenue for payment of *vendor duty*;
- 3.2.2 the *depositholder* is not to draw that *cheque* earlier than 14 days before the completion date; and
- 3.2.3 the receipt of a letter from the vendor's *solicitor* requesting the vendor duty cheque will be sufficient authority for the *depositholder* to draw and release that cheque.
- 3.3 The vendor's *solicitor* will use the vendor duty cheque for the sole purpose of payment of the *vendor duty* relating to this transaction.
- 3.4 If this contract is not completed in circumstances that there is, or may be, no liability for *vendor duty* -
- 3.4.1 if the vendor duty cheque has been forwarded to the vendor's *solicitor* but has not been used to pay *vendor duty*, that cheque must be returned immediately to the *depositholder* for cancellation;
- 3.4.2 if the vendor duty cheque has been used to pay *vendor duty* -
- the amount of *vendor duty* is repayable upon demand;
 - the vendor must lodge an application for refund of *vendor duty*; and
 - the vendor irrevocably authorises the Office of State Revenue to pay to the *depositholder* the refund of *vendor duty*;
- 3.4.3 each *party* must do whatever else is necessary to ensure that the *party* whose funds were used to pay *vendor duty* receives the refund; and
- 3.4.4 rights under this clause continue even if the contract has been *rescinded* or *terminated*.

4 Transfer

- 4.1 *Normally*, the purchaser must *serve* the form of transfer at least 14 days before the completion date.
- 4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.
- 4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.
- 4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.
- 4.5 If this sale is exempt from *vendor duty* -
- 4.5.1 the vendor can (but does not have to) *serve* an application for exemption from *vendor duty* in the form satisfactory to the Office of State Revenue *within* 7 days after the contract date;
- 4.5.2 if that application is attached to this contract or has been provided to the purchaser before the contract date, the application is *served* on the contract date; and
- 4.5.3 if the vendor complies with clause 4.5.1 -
- the purchaser must have the form of transfer marked by the Office of State Revenue in relation to *vendor duty* before *serving* the form of transfer; and
 - on completion the vendor must pay to the purchaser \$33.

5 Requisitions

- If the purchaser is or becomes entitled to make a *requisition*, the purchaser can make it only by *servicing* it -
- 5.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;
- 5.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and
- 5.3 in any other case - *within* a reasonable time.

6 Error or misdescription

- 6.1 The purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

The purchaser can make a claim (including a claim under clause 6) before completion only by *servicing* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion -

- 7.1 the vendor can *rescind* if in the case of claims that are not claims for delay -
- 7.1.1 the total amount claimed exceeds 5% of the price;
 - 7.1.2 the vendor *serves* notice of intention to *rescind*; and
 - 7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and
- 7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed -
- 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;
 - 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held; and
 - 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse.

8 Vendor's right to rescind

The vendor can *rescind* if -

- 8.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
- 8.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
- 8.3 the purchaser does not *serve* a notice waiving the *requisition within* 14 days after that *service*.

9 Purchaser's default

If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *servicing* a notice. After the *termination* the vendor can -

- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause-
 - 9.2.1 for 12 months after the *termination*; or
 - 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either -
 - 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover -
 - the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
 - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
 - 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

- 10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of -
- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
 - 10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
 - 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
 - 10.1.4 any change in the *property* due to fair wear and tear before completion;
 - 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
 - 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
 - 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
 - 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or
 - 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage or writ).
- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

11 Compliance with work orders

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.

12 Certificates and inspections

- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant -
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for -
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.

13 Goods and services tax (GST)

- 13.1 In this clause, enterprise, input tax credit, margin scheme, supply of a going concern, tax invoice and taxable supply have the same meanings as in the *GST Act*.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment, pay an expense of another party or pay an amount payable by or to a third party (for example, under clauses 14 or 20.7) -
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the amount; but
- 13.3.2 if this contract says this sale is a taxable supply, and payment would entitle the *party* to an input tax credit, the adjustment or payment is to be worked out by deducting any input tax credit to which the party receiving the adjustment is or was entitled and adding the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern -
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the completion date, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows:
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the parties agree that the margin scheme is to apply to the sale of the property.
- 13.7 If this contract says the sale is not a taxable supply -
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of -
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if -
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent -
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must adjust land tax for the year current at the *adjustment date* -
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year -
- the person who owned the land owned no other land;
 - the land was not subject to a special trust or owned by a non-concessional company; and
 - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so -
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.

15 Completion date

The *parties* must complete by the completion date and, if they do not, a *party* can serve a notice to complete if that *party* is otherwise entitled to do so.

16 Completion

• Vendor

- 16.1 On completion the vendor must give the purchaser any *document of title* that relates only to the *property*.
- 16.2 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.
- 16.3 *Normally*, on completion the vendor must cause the legal title to the *property* (being an estate in fee simple) to pass to the purchaser free of any mortgage or other interest, subject to any necessary registration.
- 16.4 The legal title to the *property* does not pass before completion.
- 16.5 If the vendor gives the purchaser a document (other than the transfer) that needs to be lodged for registration, the vendor must pay the lodgment fee to the purchaser, plus another 20% of that fee.
- 16.6 If the purchaser *serves* a land tax certificate showing a charge on any of the land, on completion the vendor must give the purchaser a land tax certificate showing the charge is no longer effective against the land.

• Purchaser

- 16.7 On completion the purchaser must pay to the vendor, by cash (up to \$2,000) or *settlement cheque*, the price (less any deposit paid) and any other amount payable by the purchaser under this contract (less any amount payable by the vendor to the purchaser under this contract).
- 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.
- 16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
- 16.10 On completion the deposit belongs to the vendor.

• Place for completion

- 16.11 *Normally*, the *parties* must complete at the completion address, which is -
- 16.11.1 if a special completion address is stated in this contract - that address; or
- 16.11.2 if none is stated, but a first mortgagee is disclosed in this contract and the mortgagee would usually discharge the mortgage at a particular place - that place; or
- 16.11.3 in any other case - the vendor's *solicitor's* address stated in this contract.
- 16.12 The vendor by reasonable notice can require completion at another place, if it is in NSW, but the vendor must pay the purchaser's additional expenses, including any agency or mortgagee fee.
- 16.13 If the purchaser requests completion at a place that is not the completion address, and the vendor agrees, the purchaser must pay the vendor's additional expenses, including any agency or mortgagee fee.

17 Possession

- 17.1 *Normally*, the vendor must give the purchaser vacant possession of the *property* on completion.
- 17.2 The vendor does not have to give vacant possession if -

 17.2.2 the contract discloses the provisions of the tenancy (for example, by attaching a copy of the lease and any relevant memorandum or variation).
- 17.3 *Normally*, the purchaser can claim compensation (before or after completion) or *rescind* if any of the land is affected by a protected tenancy (a tenancy affected by Part 2, 3, 4 or 5 Landlord and Tenant (Amendment) Act 1948).

18 Possession before completion

- 18.1 This clause applies only if the vendor gives the purchaser possession of the *property* before completion.
- 18.2 The purchaser must not before completion -
 18.2.1 let or part with possession of any of the *property*;
 18.2.2 make any change or structural alteration or addition to the *property*; or
 18.2.3 contravene any agreement between the *parties* or any direction, document, *legislation*, notice or order affecting the *property*.
- 18.3 The purchaser must until completion -
 18.3.1 keep the *property* in good condition and repair having regard to its condition at the giving of possession; and
 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor -
 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate mentioned in Schedule J of the Supreme Court Rules 1970.
- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

19 Rescission of contract

- 19.1 If this contract expressly gives a *party* a right to *rescind*, the *party* can exercise the right -
 19.1.1 only by *servicing* a notice before completion; and
 19.1.2 in spite of any making of a claim or *requisition*, any attempt to satisfy a claim or *requisition*, any arbitration, litigation, mediation or negotiation or any giving or taking of possession.
- 19.2 *Normally*, if a *party* exercises a right to *rescind* expressly given by this contract or any *legislation* -
 19.2.1 the deposit and any other money paid by the purchaser under this contract must be refunded;
 19.2.2 a *party* can claim for a reasonable adjustment if the purchaser has been in possession;
 19.2.3 a *party* can claim for damages, costs or expenses arising out of a breach of this contract; and
 19.2.4 a *party* will not otherwise be liable to pay the other *party* any damages, costs or expenses.

- 20.15 Where this contract provides for choices, a choice in BLOCK CAPITALS applies unless a different choice is marked.

21 Time limits in these provisions

- 21.1 If the time for something to be done or to happen is not stated in these provisions, it is a reasonable time.
- 21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.

- 21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
- 21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
- 21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clause 2 (deposit).
- 21.6 *Normally*, the time by which something must be done is fixed but not essential.
- 22 Foreign Acquisitions and Takeovers Act 1975**
- 22.1 The purchaser promises that the Commonwealth Treasurer cannot prohibit and has not prohibited the transfer under the Foreign Acquisitions and Takeovers Act 1975.
- 22.2 This promise is essential and a breach of it entitles the vendor to *terminate*.
- 23 Strata or community title**
- 23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).
- 23.2 In this contract -
- ‘change’, in relation to a scheme, means -
- a registered or registrable change from by-laws set out in this contract or set out in *legislation* and specified in this contract;
 - a change from a development or management contract or statement set out in this contract; or
 - a change in the boundaries of common property;
- ‘common property’ includes association property for the scheme or any higher scheme;
- ‘contribution’ includes an amount payable under a by-law;
- ‘normal expenses’, in relation to an owners corporation for a scheme, means normal operating expenses usually payable from the administrative fund of an owners corporation for a scheme of the same kind;
- ‘owners corporation’ means the owners corporation or the association for the scheme or any higher scheme;
- ‘the *property*’ includes any interest in common property for the scheme associated with the lot;
- ‘special expenses’, in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are normal expenses, due to fair wear and tear, disclosed in this contract or covered by moneys held in the sinking fund.
- 23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
- 23.4 Clauses 14.4.2 and 14.5 apply but on a unit entitlement basis instead of an area basis.
- 23.5 The *parties* must adjust under clause 14.1 -
- 23.5.1 a regular periodic contribution;
- 23.5.2 a contribution which is not a regular periodic contribution but is disclosed in this contract; and
- 23.5.3 on a unit entitlement basis, any amount paid by the vendor for a normal expense of the owners corporation to the extent the owners corporation has not paid the amount to the vendor.
- 23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract -
- 23.6.1 the vendor is liable for it if it was levied before the contract date (unless it relates to work not started by that date), even if it is payable by instalments;
- 23.6.2 the vendor is also liable for it to the extent it relates to work started by the owners corporation before the contract date; and
- 23.6.3 the purchaser is liable for all other contributions levied after the *contract date*.
- 23.7 The vendor must pay or allow to the purchaser on completion the amount of any unpaid contributions for which the vendor is liable under clause 23.6.

- 23.8.1 an existing or future actual, contingent or expected expense of the owners corporation;
- 23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
- 23.8.3 a past or future change in the scheme or a higher scheme.
- 23.9 However, the purchaser can *rescind* if -
- 23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
- 23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme -
- a proportional unit entitlement for the lot is not disclosed in this contract; or
 - a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion; or
- 23.9.3 a change before the contract date or before completion in the scheme or a higher scheme substantially disadvantages the purchaser and is not disclosed in this contract.
- 23.10 The purchaser must give the vendor 2 copies of a proper form of notice of the transfer of the lot addressed to the owners corporation and signed by the purchaser.
- 23.11 The vendor must complete and sign 1 copy of the notice and give it to the purchaser on completion.

- 23.14 The purchaser does not have to complete earlier than 7 days after *service* of the certificate and clause 21.3 does not apply to this provision.
- 23.15 On completion the purchaser must pay the vendor the prescribed fee for the certificate.
- 23.16 The vendor authorises the purchaser to apply for the purchaser's own certificate.
- 23.17 The vendor authorises the purchaser to apply for and make an inspection of any record or other document in the custody or control of the owners corporation or relating to the scheme or any higher scheme.
- 23.18 If a general meeting of the owners corporation is convened before completion -
- 23.18.1 if the vendor receives notice of it, the vendor must immediately notify the purchaser of it; and
- 23.18.2 the purchaser can require the vendor to appoint the purchaser (or the purchaser's nominee) to exercise any voting rights of the vendor in respect of the lot at the meeting.
- 24 Tenancies**
- 24.1 If a tenant has not made a payment for a period preceding or current at the *adjustment date* -

- 24.3.2 the vendor must *serve* any information about the tenancy reasonably requested by the purchaser before or after completion; and
- 24.3.3 *normally*, the purchaser can claim compensation (before or after completion) if -
- any of Parts 2 to 7 of the Retail Leases Act 1994 applies to the tenancy, unless this contract discloses that the tenancy commenced on or after 1 August 1994;
 - a disclosure statement required by the Act was not given when required;
 - such a statement contained information that was materially false or misleading;
 - a provision of the lease is not enforceable because of a non-disclosure in such a statement; or
 - the lease was entered into in contravention of the Act.
- 24.4 If the *property* is subject to a tenancy on completion -
- 24.4.1 the vendor must allow or transfer -
- any remaining bond money or any other security against the tenant's default (to the extent the security is transferable);
 - any money in a fund established under the lease for a purpose and compensation for any money in the fund or interest earned by the fund that has been applied for any other purpose;
 - any money paid by the tenant for a purpose that has not been applied for that purpose and compensation for any of the money that has been applied for any other purpose; and
- 24.4.2 if the security is not transferable, each *party* must do everything reasonable to cause a replacement security to issue for the benefit of the purchaser and the vendor must hold the original security on trust for the benefit of the purchaser until the replacement security issues;
- 24.4.3 the vendor must give to the purchaser -
- a proper notice of the transfer addressed to the tenant;

- 24.4.4 the vendor must comply with any obligation to the tenant under the lease, to the extent it is to be complied with by completion; and
- 24.4.5 the purchaser must comply with any obligation to the tenant under the lease, to the extent that the obligation is disclosed in this contract and is to be complied with after completion.
- 24.5 Rights under this clause continue after completion, whether or not other rights continue.

- 25.4 An abstract of title can be or include a list of documents, events and facts arranged (apart from a will or codicil) in date order, if the list in respect of each document -
 25.4.1 shows its date, general nature, names of parties and any registration number; and
 25.4.2 has attached a legible photocopy of it or of an official or registration copy of it.
- 25.5 An abstract of title -

 25.5.3 *normally*, need not include a Crown grant; and
 25.5.4 need not include anything evidenced by the Register kept under the Real Property Act 1900.
- 25.6 In the case of land under old system title -
 25.6.1 in this contract 'transfer' means conveyance;
 25.6.2 the purchaser does not have to *serve* the form of transfer until after the vendor has *served* a proper abstract of title; and
 25.6.3 each vendor must give proper covenants for title as regards that vendor's interest.
- 25.7 In the case of land under limited title but not under qualified title -
 25.7.1 *normally*, the abstract of title need not include any document which does not show the location, area or dimensions of the land (for example, by including a metes and bounds description or a plan of the land);
 25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and
 25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).
- 25.8 The vendor must give a proper covenant to produce where relevant.
- 25.9 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.

- 27.6 If consent is not given or refused -
 27.6.1 *within 42* days after the purchaser *serves* the purchaser's part of the application, the purchaser can *rescind*;
 or
 27.6.2 *within 30* days after the application is made, either *party* can *rescind*.
- 27.7 If the *legislation* is the Western Lands Act 1901 each period in clause 27.6 becomes 90 days.

- 28.3 If the plan is not registered *within* that time and in that manner -
28.3.1 the purchaser can *rescind*; and
28.3.2 the vendor can *rescind*, but only if the vendor has complied with clause 28.2.
- 28.4 Either *party* can serve notice of the registration of the plan and every relevant lot and plan number.

STATE ENVIRONMENTAL PLANNING POLICIES

State environmental planning policies (SEPPs) deal with issues significant to the State and people of New South Wales. They are made by the Minister for Planning and may be exhibited in draft form for public comment before being gazetted as a legal document.

This list is intended for use as a summary guide only. Please refer to the relevant policy for full details. Further information is available from the NSW Department of Planning and Infrastructure. <http://www.planning.nsw.gov.au/>

SEPP No. 1 — Development Standards Gazetted 17.10.80.

Makes development standards more flexible. It allows councils to approve a development proposal that does not comply with a set standard where this can be shown to be unreasonable or unnecessary.

SEPP No. 4 — Development Without Consent and Miscellaneous Complying Development Gazetted 4.12.81.

Allows relatively simple or minor changes of land or building use and certain types of development by public authorities without the need for formal development applications. The types of development covered are outlined in the policy.

SEPP No. 6 — Number of Storeys in a Building Gazetted 10.12.82

Sets out a method for determining the number of storeys in a building, to prevent possible confusion arising from the interpretation of various environmental planning instruments.

SEPP No. 21 — Caravan Parks

Gazetted 24.4.92. Replaces SEPP No. 21 — Moveable Dwellings gazetted 28.11.86.

Ensures that where caravan parks or camping grounds are permitted under an environmental planning instrument, movable dwellings, as defined in the *Local Government Act 1993*, are also permitted. The specific kinds of movable dwellings allowed under the Local Government Act in caravan parks and camping grounds are subject to the provisions of the Caravan Parks Regulation.

The policy ensures that development consent is required for new caravan parks and camping grounds and for additional long-term sites in existing caravan parks. It also enables, with the council's consent, long-term sites in caravan parks to be subdivided by leases of up to 20 years.

SEPP No. 22 — Shops and Commercial Premises

Gazetted 9.1.87.

Permits within a business zone, a change of use from one kind of shop to another or one kind of commercial premises to another, even if the change of use is prohibited under an environmental planning instrument. Development consent must be obtained and the consent authority satisfied that the change of use will have no, or only minor, environmental effect.

SEPP No. 30 — Intensive Agriculture

Gazetted 8.12.89.

Requires development consent for cattle feedlots having a capacity of 50 or more cattle or piggeries having a capacity of 200 or more pigs. The policy sets out information and public notification requirements to ensure there are effective planning control over this export-driven rural industry. The policy does not alter if, and where, such development is permitted, or the functions of the consent authority.

SEPP No. 32 — Urban Consolidation (Redevelopment of Urban Land)

Gazetted 15.11.91

States the Government's intention to ensure that urban consolidation objectives are met in all urban areas throughout the State. The policy:

- focuses on the redevelopment of urban land that is no longer required for the purpose it is currently zoned or used
- encourages local councils to pursue their own urban consolidation strategies to help implement the aims and objectives of the policy.

Councils will continue to be responsible for the majority of rezonings. The policy sets out guidelines for the Minister to follow when considering whether to initiate a regional environmental plan (REP) to make particular sites available for consolidated urban redevelopment. Where a site is rezoned by an REP, the Minister will be the consent authority.

SEPP No. 33 — Hazardous and Offensive Development

Gazetted 13.3.92

Provides new definitions for 'hazardous industry', 'hazardous storage establishment', 'offensive industry' and 'offensive storage establishment'. The definitions apply to all planning instruments, existing and future. The new definitions enable decisions to approve or refuse a development to be based on the merit of proposal. The consent authority must carefully consider the specifics of the case, the location and the way in which the proposed activity is to be carried out. The policy also requires specified matters to be considered for proposals that are 'potentially hazardous' or 'potentially offensive' as defined in the policy. For example, any application to carry out a potentially hazardous or potentially offensive development is to be advertised for public comment, and applications to carry out potentially hazardous development must be supported by a preliminary hazard analysis (PHA). The policy does not change the role of councils as consent authorities, land zoning, or the designated development provisions of the *Environmental Planning and Assessment Act 1979*.

**SEPP No. 36 — Manufactured Home Estates
Gazetted 16.7.93.**

Helps establish well-designed and properly serviced manufactured home estates (MHEs) in suitable locations. Affordability and security of tenure for residents are important aspects. The policy applies to Gosford, Wyong and all local government areas outside the Sydney Region. To enable the immediate development of estates, the policy allows MHEs to be located on certain land where caravan parks are permitted. There are however, criteria that a proposal must satisfy before the local council can approved development. The policy also permits, with consent, the subdivision of estates either by community title or by leases of up to 20 years. A section 117 direction issued in conjunction with the policy guides councils in preparing local environmental plans for MHEs, enabling them to be excluded from the policy.

**SEPP No 44—Koala Habitat Protection
Gazetted 6.1.1995.**

This Policy aims to encourage the proper conservation and management of areas of natural vegetation that provide habitat for koalas to ensure a permanent free-living population over their present range and reverse the current trend of koala population decline:

- a) by requiring the preparation of plans of management before development consent can be granted in relation to areas of core koala habitat, and
- b) by encouraging the identification of areas of core koala habitat, and
- c) by encouraging the inclusion of areas of core koala habitat in environment protection zones.

**SEPP No. 50 – Canal Estate Development
Gazetted 10.11.97**

This Policy aims to prohibit canal estate development as described in this Policy in order to ensure that the environment is not adversely affected by the creation of new developments of this kind.

**SEPP No. 55 - Remediation of Land
Gazetted 28.8.98.**

Introduces statewide planning controls for the remediation of contaminated land. The policy states that land must not be developed if it is unsuitable for a proposed use because it is contaminated. If the land is unsuitable, remediation must take place before the land is developed. The policy makes remediation permissible across the State, defines when consent is required, requires all remediation to comply with standards, ensures land is investigated if contamination is suspected, and requires councils to be notified of all remediation proposals. To assist councils and developers, the Department, in conjunction with the Environment Protection Authority, has prepared *Managing Land Contamination: Planning Guidelines*.

**SEPP No.62 – Sustainable Aquaculture
Gazetted 25.8.00**

The aims and objectives of this Policy are:

- a) to encourage sustainable aquaculture, including sustainable oyster aquaculture, in the State, namely, aquaculture development which uses, conserves and enhances the community's resources so that the total quality of life now and in the future can be preserved and enhanced, and
- b) to make aquaculture development permissible in certain zones under the Standard Instrument, as identified in the NSW Land Based Sustainable Aquaculture Strategy, and
- c) to set out the minimum site location and operational requirements for permissible aquaculture development (the minimum performance criteria), and
- d) to establish a graduated environmental assessment regime for aquaculture development based on the applicable level of environmental risk associated with site and operational factors (including risks related to climate change, in particular, rising sea levels), and
- e) to apply the Policy to land-based aquaculture development and oyster aquaculture development in the State and to include facility for extension of the Policy to natural water-based aquaculture.

**SEPP No. 64 - Advertising and Signage
Gazetted 16.3.01.**

Aims to establish uniform codes for advertising and signage and to provide time limited consents for display of certain advertisements.

**SEPP No. 65-Design Quality of Residential Flat Development
Gazetted 26.7.02.**

Provides design criteria for residential flat development of three storeys or greater.

**SEPP (Major Development) 2005
Gazetted on 25.5.05 (SEPP State Significant Development) 2005.**

Defines what development is state significant development and determined by the Minister for Infrastructure and Planning. The policy repeals SEPP 34 and 38, as well as provisions in numerous other planning instruments, declarations and directions.

**SEPP (Building Sustainability Index: BASIX) 2004
Gazetted 25.6.04.**

This Policy applies to:

Contaminated Land Management

Introduction

This policy applies to all development and outlines requirements relating to the use and/or development of land that is or may potentially be contaminated. This policy should be read in conjunction with *State Environmental Planning Policy (SEPP) No. 55 – Remediation of Land*, and the relevant *Queanbeyan Local Environmental Plan* clause relating to earthworks.

Objectives

- (1) Enable Council to more adequately identify record and manage known and potentially contaminated land.
- (2) Provide direction for Council in the gathering and assessment of information in relation to previous land use activities that may have resulted in contamination.
- (3) Assist Council in the discharge of its functions and responsibilities in relation to existing and potential land contamination with reasonable care and due diligence to minimise potential risk to both public health and the environment.
- (4) Inform the community, particularly those interested or involved in the planning and development process, of Council's procedures relating to existing or potential land contamination.
- (5) Ensure that all stakeholders are aware of their responsibilities for the ongoing management of contaminated land.

Relationship to Other Plans, Council Policies and the Like

State Environmental Planning Policy 55 – Remediation of Land must be referred to in conjunction with this element.

Duty to Report Contamination

The *Contaminated Land Management Act 1997* requires persons to notify the Environment Protection Authority (EPA) if they become aware that their activities have contaminated land so as to present a significant risk of harm to human health or the environment. Clause 60(3) of the *Contaminated Land Management Act 1997* states that a person is required to notify the EPA if:

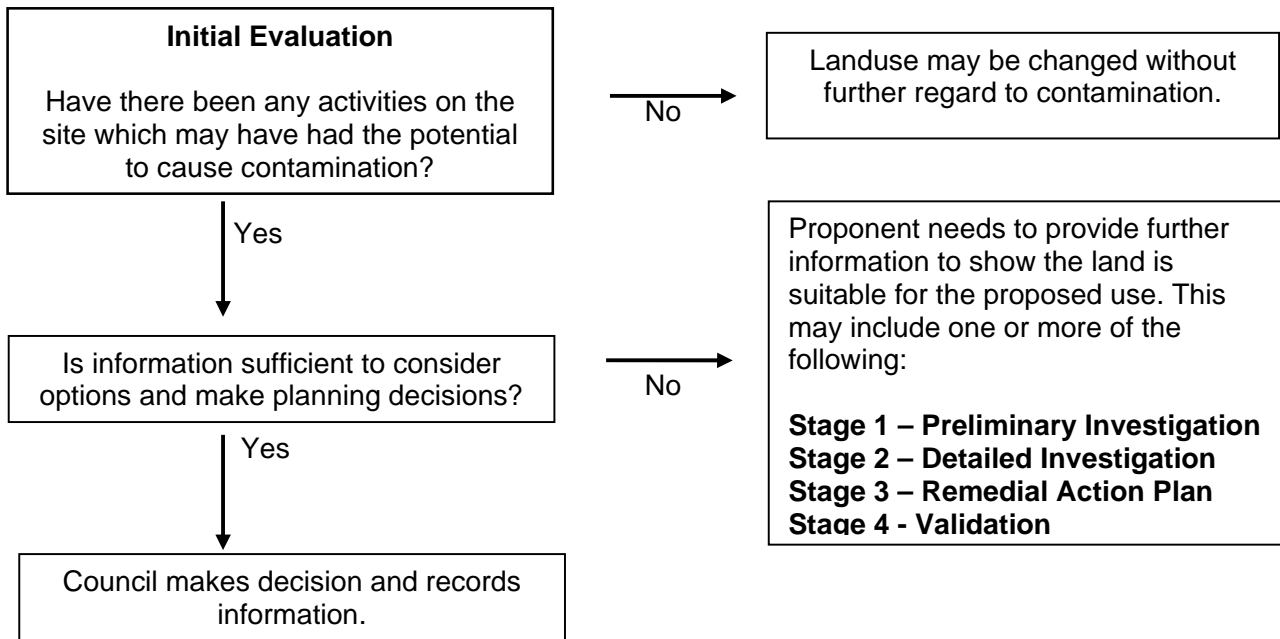

- i. The substance contaminating the land (the contaminant) or any by-product of the contaminant has entered or will foreseeably enter neighbouring land, the atmosphere, groundwater or surface water;
- ii. the regulations prescribe for the purposes of this subparagraph, or the guidelines specify, a level of the contaminant or by-product in the neighbouring land, atmosphere, groundwater or surface water;
- iii. the level of the contaminant or by-product after that entry is, or will foreseeably be, above the level prescribed or specified and will foreseeably continue to remain above that level.

Council’s Decision Making Process

In determining all rezoning, subdivision and development applications, Council must consider the possibility of land contamination and the implications it has for any proposed or permissible future uses of the land.

If contamination is, or may be present, the proponent must investigate the site and provide Council with the information it needs to carry out its planning functions. Figure 1 below outlines process when Council is assessing potential impacts of contamination on a site.

Note: The information contained in this Schedule is an excerpt from Council’s policy on contaminated land management and is intended only as an overview.

For further information please refer to Part 2.4 – Contaminated Land Management of the Queanbeyan Development Control Plan 2012 and State Environmental Planning Policy No. 55 – Remediation of Land.
